

DtRC News Letter for July, 2015

Meeting the fourth Thursday of the month

EMICH
CAR SHOW

Emich Car Show!

Emich Chevrolet's Annual Corvette Car Show
is coming up Saturday, September 12th.
FREE EVENT
Join us for live music, cool cars, and fun!

Let's get ready

Attention all hands on deck! .The Down the Road Corvette Club Car show. September 12 at the dealership will be needing our volunteers to be there around 730 AM. This will be so much fun. Michael will have the area in front for our club club cars. They will move their cars for the participants to be part in that special area as last year. Michael is really looking forward to this event. Let's make it the best as always. We are a great club. Bring your suntan lotion and a hat. I know we will all enjoy this event. Thank you in advance any further questions please call, Mike or Bill

Grand Lake Corvette Show

Colorado corvette club will be hosting the Grand lake Corvette show. Bill will be LEAVING at 6:30, at the Monmouth parking lot our meeting place on 70 interstate . So we can caravan up two grand lake together and park together. Jackie and I will be leaving at the early 5 AM ,because we plan on TOWING an our 59 corvette to this event. If you care to join us let us know please. This will be a good time for all .Lets make a good showing and bring home a lot of hardware. Any questions please call me at 720 -207-1801 cell

Jays Corvette Car Show

Four members went to the Jay's car show put on by Good times Corvettes Club. What a great club very exciting and all four members of the DtRC came home with hardware, and the wives of course did all the work because they are the pit crew! The classes were C1, C3, C6, C7 Won Trophy's Jackie and Mike, Bill and Cathy Mike and Jackie Finley. What a great time. We thank good times car club for putting on a great event our hats are off to them.

A Special from Our Sponsor

Special

EMICH Chevrolet is putting on a special event sale .Super No Interest, a sale of the beautiful Chevrolet Automobiles in stock. The EMICH team will be on hand with a 0% interest for 72 months that is incredible. General Motors is the best, Michael J and will be there. This is something that is short lived. Get it while it lasts because it goes away until next year. .

LETTER FROM PREZ DAVE

Hard to believe it is August already. Where has the summer gone? Between finishing the basement (which is finally done!!!!), getting the drone business up and running, traveling to CA for a mini family reunion and going to a slot machine convention and then off to Butte MT to shoot some of the Evil Knievel Days events via drones I have had no time to enjoy the Corvette :-).

I hope the other folks in the club have been out and about with their Vetted.

I hear from Bill that the plans for the car show are going well. A HUGE thank you goes out to Bill Schultz, Mike Malouf, and Mike Finley for working on the show. I am sure they can count on the rest of the club for helping out on anything they need as well as helping out at the show.

I enabled online registrations for the show on our web page and Bill informed me that registrations are coming in.

There are only three meetings left this year. If you would like to run for any of the positions (President, VP, Treasurer, Secretary, Board) then please let me know. We also need folks for the volunteer positions (governor, membership, social, museum ambassador, newsletter, webmaster, dealer rep, etc.). I hope that many of the folks would like to continue with their current roles.

We will talk more about this at the August meeting. If you have any items that you would like to talk about at the next meeting please send me an email and I will put you on the agenda. Well, that's it for now. Hope to see everyone at the meeting.

Dave

Corvette MUSEUM

Corvette owners now have the opportunity to participate in the "NCM Experience" - a new program that offers owners a unique experience with their Corvette at the National Corvette Museum. Corvette owners can schedule a special visit to the Museum, where their Corvette receives an exterior cleaning and is then displayed on the floor of the Museum delivery area, similar to the highly requested R8C Program. Guests are given a VIP plant tour and Museum tour as part of the program, and are also given a one-year individual membership to the Museum, commemorative plaque, silver decal recognizing participation in the program, and an individual photograph in front of the Museum - weather permitting. Cost of the Experience program is \$500.00.

Program participants also have the opportunity to purchase special merchandise showcasing the "NCM Experience" logo and can purchase bricks in a special commemorative section. The cost to participate in the "NCM Experience" program is being determined for the entire experience. Deliveries can also be viewed world-wide via our live webcams. "We are thrilled to be able to offer a program like this to the Corvette community," states former Delivery Department Manager, Gary Cockriel. "With the success of our R8C Delivery Program, which offers new Corvette buyers the opportunity to take delivery of new Corvettes at the Museum, we truly feel a program like this will offer Corvette owners an opportunity to share in the excitement of it all."

Whether you want to present your spouse with a Corvette as a gift, or pass your Corvette down to your child, the "NCM Xperience" creates an opportunity to celebrate that special occasion..Additional information on the "NCM Xperience" is available by calling Shane Webb at (800) 205-4248 or (270) 777-4505 or by e-mail at shane@corvettemuseum.org. Also Matt Morley can be contacted at 270-467-8851 or 1-800-205-4248. The program is only offered for Corvettes. Participants may also purchase replica build sheets, window stickers and dealer brochures if available, during the program presentation. (Please note that Plant Tours may not always be available due to Plant closures or tour cancellations for corporate privacy issues.)
